## Connecticut State Police Troop C – Tolland

### News Release

April 12, 2004

Deadly combinations of speed, intoxication and the lack of seatbelt use needlessly claim the lives of motorists in Connecticut every year.

During the evening hours of Friday, April 16, 2004, State Troopers from Troop C in Tolland will be conducting a DUI Sobriety Checkpoint in the Town of Mansfield, CT

By detecting and arresting drunk drivers and deterring those who would otherwise drive under the influence, we can make the roadways in Connecticut safer for everyone.
